Your team, whether it consists of 3 or 10 members, will collectively make up the critical mass that will permeate the rest of the church members and ignite a successful ministry that will bring Christ to the cities. This workshop will bring a clear understanding of God's true method of ministry by:

- Giving you the latest information and best instruction on how to minister to the people living in our cities
- Demonstrating how to develop a cohesive team of workers that will strategically:
  - Mingle with our community
  - Show sympathy to the people
  - Minister to their needs
  - Win their confidence
  - Invite them to follow Jesus

Our prayer is that your team will leave this workshop inspired by God, equipped to work and empowered by the Holy Spirit reach the cities for Christ.

## REACHING THE INNER CITIES FOR JESUS

“Christ’s method alone will give true success in reaching the people. The Savior mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidences. Then He bade them ‘Follow Me.’”
